Project Based Learning Project

Our school we use the teaching method of Project Based Learning, or PBL, to help students learn better. A project motivates students to gain knowledge, and they remember it longer. Projects give students the chance to apply the skills they learn in school to personally relevant and real-world situations.

Reminders

- Please fill out and return yellow card in the Wednesday folder.
- Make sure your child has tennis shoes for PE. We go to PE on Wednesdays!
- Please sign reading log and agenda each night. Student's reading reflection is due on Thursday.
